

DISTRICT 2 COACHING POLICY REVISED JUNE 2012

"F" License

For entry level recreational coaches. It is recommended that a recreational coach has a Youth license to coach in D-2.

"E" License

An entry level license which is MANDATORY for all competitive level coaches. 18 hour pass/not ready course with a mix of field and class room instruction.

"D" License

Strongly recommended for all competitive coaches of players 15 years and up. The "D" License is a 36-hour course designed for the experienced coach who has already received training at the "E" level or who has several years of coaching and/or playing experience. The focus of this course is to improve individual's and team's ability. The most comprehensive license offered and is preparatory for the national licensing.

There is a mandatory one year waiting period between licenses.

It is highly recommend by the Cal North Director of Coaching-Competitive and the Cal North Coaching Committee Chairman that coaches who currently hold a CYSA "E" and CYSA "E/D" License are strongly recommended to take the New USSF "E" Course in order to be better prepared for the New USSF "D" curriculum. This is not a requirement, but a recommendation.

- New coaches to District 2 are given 12 months to comply with license policy.
- District 2 recognizes NSCAA equivalencies i.e. NSCAA Junior Level 6 is equivalent to the USSF E.
- District 2 will reimburse all coaches that pass D course. "Course fees only"
- District 2 will reimburse leagues that hold courses.
- Leagues can not charge candidates for courses that are reimbursed by the District.
